1 Tuesday Evening Session

## Film Study "The Gatekeepers" & Discussion

April 29, 2014

6:00 p.m. – approx. 9:00 p.m.

"The Gatekeepers"- Six former heads of Israel's Secret Service (the Shin Bet) offer "an exclusive account of the sum of their successes and failures. It validates the reasons that each man individually and the six as a group came to reconsider their hard-line positions and advocate a conciliatory approach toward their enemies based on a two-state solution."

Rodef Sholom Temple 318 Whealton Road, Hampton

\*These are not the only classes Rabbi Dror will teach this year. Watch bulletins for other special sessions and classes.
